SUMMARY

- Fourth-year Computer Science and Information Systems student at 6th of October University with a solid foundation in programming, databases, and analytical thinking.
- Graduate of the National Telecommunications Institute (NTI) Data Analysis Track, with practical experience in data processing, visualization, and business intelligence.
- Passionate about leveraging data-driven insights to solve real-world problems and eager to contribute to impactful data projects.

EDUCATION

6th of October University – 6th of October City, Giza, Egypt **2022 – 2027**
B.Sc., *Computer Science and Information Systems – Fourth Year*

National Telecommunications Institute (NTI) – Cairo, Egypt **2026**
Professional Diploma, Data Analysis Track

National Telecommunications Institute (NTI) – Cairo, Egypt **2026**
Web Development using PHP Track

TRAINING & PROJECTS

Data Analysis Trainee **2026**
National Telecommunications Institute (NTI) – Cairo, Egypt

- Completed intensive training in data collection, cleaning, exploration, and visualization using Python, Excel, and Power BI.
- Developed hands-on projects applying statistical analysis and machine learning fundamentals to real-world datasets.
- Built and presented data dashboards and analytical reports, translating complex findings into clear, actionable insights.

Web Development Trainee – PHP **2026**
National Telecommunications Institute (NTI) – Cairo, Egypt

- Web Development using PHP track.

SKILLS

Python (Pandas, NumPy)
Power BI & Tableau
Statistical Analysis
SQL & Databases
Microsoft Excel (Advanced)
Data Visualization
PHP & Web Development

INTERESTS

- Artificial Intelligence & ML
- Big Data & Cloud Computing
- Open Source & Tech Community

LANGUAGES

- Arabic - Native
- English - Good
